Welcome

Welcome to IC Blockchain!

Experience the Power of Blockchain & Cryptography Through Innovative Technology

Take your students on a learning path that leads to mastery and eventually becoming experts. Leverage our Learning Roadmap to provide an ongoing journey for professionals who want to deepen their craft, widen their knowledge on different Blockchain and Cryptocurrency platforms, and achieve Blockchain mastery and expertise.

Announcement

Regarding Team Party

As we are going to enter into 10th year, we would like to arrange for a small party. Please join together for the event.

1.3.1 Transcript (Common to REP, Instructor and Student)

1. In Transcript Management, the list of tracks is shown. (Fig 1.9).
 - a. Earned Certificate of yours will be shown with the sharing option to Facebook, Twitter and LinkedIn.
 - b. You can click on Learn More to view details of the track.
 - c. You can view the badge of you earned course by clicking on Badge.
 - d. You can view/download the certificate of your course. (Fig 1.10).

Fig 1.9

Fig 1.10

1.3.2 Add Class (REP/Instructor)

1. Go to Class Management and click Add button. (Fig 1.11)
 - a. Add, Edit and Delete class options are available for REPs and Instructor.
 - b. Past classes will not have the option to delete or edit.
 - c. If multiple instructors are mapped to a particular class only the REP will have option to delete. Instructor will have delete option to delete their class only.
 - d. You can use Copy class option to copy the existing class to new class with the auto filled details except the Class Instructors.

Fig 1.11

2. In Class Add form page the Signing Instructor is Mandatory. (Fig 1.12).

Fig 1.12

a. To have signing instructor, Instructor should update the profile with the signature.
(Fig 1.13).

The screenshot shows the 'ABI Health' interface for selecting a learning path. The header includes the 'IC Blockchain' logo and the text 'International Consortium for Blockchain'. The user's name 'Anand H' is visible in the top right corner. The main section is titled 'Learning Path' and asks 'Which Learnings Track are you interested in?'. A list of tracks is provided, with 'Cryptocurrency & Blockchain Fundamentals' selected and marked with a green checkmark. Below the list, there is a 'Signature' field with a 'Browse...' button. A note specifies that the signature should be a .jpg or .jpeg file with a white background, scanned and uploaded if signed on paper (122px * 50px). A sample signature is shown below the note.
